## The Course

The Lincoln City FC Shadow Scholarship Squad is a football and education programme that offers young people the opportunity to train under the umbrella of Lincoln City FC and continue their education doing something they love. The youth team studies the Level 3 in Sport at Riseholme College alongside their training, helping them secure an academic qualification while they aspire to play professionally. The squad makes use of the college's multi-million-pound investment in sports facilities, including its fully-equipped strength and conditioning suite, a multi-use sports hall and FIFA-standard all-weather 3G pitch.
