Getting the Bus to Bishop Burton College

Many of our students travel from home to college on a daily basis using our bus service.

- If you live on one of our existing bus routes, transport to and from college may be FREE
- If you can use public transport to meet our existing bus routes we will reimburse the costs e.g. public bus services or train services
- If a public service route is the only means of travelling to college we will reimburse the costs.

Whatever your transport dilemma we will endeavour to help you where possible with the costs of attending college. If you are not eligible for free transport, you can still use the bus service by buying a bus token. Bus route tokens can be purchased from Student Services. **The bus token price is £2.50 per journey.**

PLEASE NOTE: You must stick your arm out to stop the bus.

Bus Passes

If you are entitled to free college transport a bus pass will be issued during enrolment.

Once the bus pass is issued it must be shown to the bus driver on each journey. Failure to show your bus pass forfeits your privilege of free travel.

If the bus pass is lost / damaged a replacement can be purchased from Student Services for £5 (£10 if a new lanyard is required). Pop in or give them a call on 0800 731 8281 for more information.

Behaviour on College Buses

Students will be expected to behave appropriately at all times. This includes the time spent at the bus terminal as well as during the bus journey.

Anyone found to demonstrate a lack of respect towards others be they fellow students, staff or members of the public will be disciplined and may forfeit their right to travel on the college buses.

Free Bus Routes

We operate 13 routes across the region, with all services running from Monday to Friday during term time only.

Inward journey times are shown on the following pages, with all buses departing Bishop Burton College from the main bus terminal for their return journeys at 17:15.

All timings are approximate and you are advised to be at your pick-up point at least 10 minutes before the time stated. If you miss your bus you must make your own travel arrangements to the college.

Parking at Bishop Burton College

Students can park free of charge at any time at the college. However, you will need to apply for a parking permit. You can apply in advance by completing the application form on our website. You'll find it at www.bishopburton.ac.uk/parking

There is one main car park for students and this can be accessed via the main entrance on the A1079. The car park is close to student accommodation and includes disabled parking bays and drop-off points.

The college aims to provide students with car parking facilities that are safe, secure and convenient. For the safety of everyone on site, all persons must obey traffic signs, speed limits and follow any instructions from staff.

The college operates a barrier system, which can be operated using your student ID card. However, all vehicles must be registered beforehand. The college does not accept responsibility for any loss, damage, or misfortune to vehicles, motorcycles, scooters or bicycles (or their contents) brought onto or parked on college property.

Accommodation

If you don't think travelling in every day will work for you, don't worry! We have accommodation on site for both further education and higher education students.

Further education students with a household income of less than £33,000 could be eligible for a bursary to help cover the costs of accommodation too. Ask our Student Services team for more information by calling **0800 731 8281** or emailing enquiries@bishopburton.ac.uk.
